## HIGHLIGHTS

With its beautifully simple design and friendly personality, the Honda e will attract attention whenever you go

Front and rear lights are multi-function and incorporate the indicators into one cohesive design, the headlights even welcome you with animation when you unlock the car

An identical signature combination lamp at the rear provides continuity in design, with the tail lamp, brake light and turn indicator integrated in a single unit.

The Honda e Advance is equipped with 17-inch aluminium wheels with distinctive spokes

The charging point, located centrally on the bonnet, allows easy access from either side and helpfully lights up when in use

Conventional door mirrors have been replaced with high-definition cameras

The contemporary, lounge-like interior has been designed to feel like a home from home

The Honda e comes with a panoramic sky roof that lets in even more light to the cabin

Rear seats not only offer excellent legroom but also fold flat for extra load space when you need it
